ECCELESIASTICAL WARES IN GOLD, SILVER, BRASS, BRONZE  
55 EDDY STREET, PROVIDENCE, RHODE ISLAND

THE Tabernacle Society of Boston had us produce the unusual Chalice pictured, for presentation to the Holy Father on the occasion of his Golden Jubilee. The gold was collected from members of the Tabernacle Society. The Paten is carved by hand out of a solid piece of gold and is a reproduction of Leonardo da Vinci's "Last Supper."

THE three requisites of successful production are combined in our sacred vessels: Designing of the highest artistic order, skilled workmanship and reverence for the noble task itself.

## ENDURING MONUMENTS

In expressing their devotion to God, builders of churches and worshipers may confidently delegate the execution of wood carvings to "American" craftsmen. Skilled in the Ecclesiastic Arts, they approach their task with reverence and spiritual under-

standing. Hand is guided by the heart, for theirs is a labor of love. And the product of their handiwork lives forever, an enduring monument to the intelligence, taste and religious sincerity of our advanced times.

## Pure Altar Wines

Made from grapes produced in Beaulieu Vineyard and St. Joseph's Agricultural Institute at Rutherford, Napa County, California. These wines are made in strict compliance with the law of the Church and under competent Ecclesiastical supervision by special appointment of His Grace the Most Rev. Edward J. Hanna, Archbishop of San Francisco.

Office of the Archbishop

1100 FRANKLIN STREET  
San Francisco, California

M<sup>r</sup>. Georges de Latour,  
Proprietor of Beaulieu Vineyard,  
San Francisco, California.

My dear M<sup>r</sup>. de Latour:

My recent visit to your far famed Valley has impressed me anew with the excellent arrangement of the winery and the added opportunity you have of giving to the Priests of the Country an ever more perfect Altar Wine.

For many a day I have known your skill in wine making and your clear and distinct knowledge of all the Church requires for the wine used at Holy Mass. I have known too your desire to carry out the least requirement of our Canon Law.

Now with the wise and careful cultivation of your vineyard of a half thousand acres, with your more than adequate supply of seasoned wine, and with the perfect handling made possible by the new winery, I can assure the Bishops and the Priests of the Country, as I have in the past, both of the purity of your wine for sacramental purposes, and of the quality arising from perfect handling.

Personally my faith in you has been shown for many years by the use of your wine in my Cathedral and at the Chapel in my home.

It gives me great pleasure to congratulate you on your success and to assure you that I am,

Always devotedly yours in Christ,

San Francisco  
September 25, 1929.

*Edward J. Hanna*  
Archbishop of San Francisco

# Automatically Played CATHOLIC Tower Chimes... a Glorious Golden Voice for CATHOLIC Churches

With a well-chosen library of rolls at hand, the pastor is able — by the press of a button — to send forth a single selection or a half-hour's program of expertly played Chimes music!

Or, he may prefer merely to set the selector on the Master Clock. Promptly at the appointed hour the Chimes will automatically peal forth their golden melody — and automatically change their program daily, if desired.

Every quarter-hour during the daytime the Chimes sound a Catholic time-marking peal. Three times daily the hour stroke is followed by the stately sequence of *The Angelus*.

Hand-played from the organ console, the majesty of Chimes combines with the splendor of the organ to produce the most inspiring music in Christendom!

Deagan Chimes may also be hand-played from a small electric keyboard placed at any desired distance from the Chimes.

Fortunate indeed are the parishioners whose Church is equipped with Automatically Played Deagan Tower Chimes — and long remembered the pastor through whose efforts so beautiful a Church adjunct has been made possible!

For never before have Chimes been available that serve so capably to express to all within hearing the rich symbolism which for centuries has been a Catholic heritage.

Deagan Chimes are automatically played. Specially hand-recorded rolls reproduce with absolute fidelity all the charm and fine tempo shadings of the expert original recording! Think of it—a program of Catholic hymns at sundown, a Catholic curfew at night, automatically played and automatically changed each day if desired! Funeral tolls, wedding marches, patriotic airs, Catholic pieces for every occasion—all provided for in the library of rolls. The full skill of a Master Chimer constantly available, and yet the pastor need not even be present—the Master Clock does it all!

Then again, at the touch of a button in the sacristy, the Chimes will play, automatically, a sequence of Change Ringing suitable to precede the Mass. Every fifteen minutes during the daytime the Chimes play, not the ordinary time-marking peal, but an inspiring, copyrighted arrangement of a Catholic peal—excerpts from "Holy God, We Praise Thy Name." Three times each day the hour stroke is followed by the stately sequence of *The Angelus*, giving to that age-mellowed call to prayer an impressiveness no other means can impart. . . . No investment you can make will do so much to add to the fame or beauty of your church—a truth best demonstrated by the enthusiastic letters of pastors whose churches are already equipped with Golden-Voiced Deagan Tower Chimes. . . . May we send you facsimiles of these letters, without obligation, together with other interesting information?

# Altar Wine Supremacy

For Over 50 Years

The **Covick** altar wines are produced in California and have the unqualified approval and commendation of all the Bishops of California.

The Chancellor of the San Francisco Archdiocese, under the authority of His Grace the Most Reverend Archbishop, supervises the making of the **Covick** wines.

The **Covick** wines are made expressly for sacramental purposes. They are absolutely pure fermented juice of the grape matured in the wood under expert and careful supervision for a period of five years before being shipped to the clergy.

Besides being valid and licit matter for the Holy Sacrifice, beyond semblance of doubt, the **Covick** wines, because of their rich, mellow, wholesome character, are the ideal wines for the fasting priest.

The Symbol of  
Altar Wine Supremacy

Of unquestionable origin, absolute purity and unvarying reliability, the **Covick** wines have enjoyed the confidence of the clergy since 1877—a period of 53 years.

The **Covick** wines are everywhere recognized as altar wines of the highest possible standard of excellence — wines of supremacy in every sense of the word and the finest altar wines obtainable anywhere.

THE **Covick** ALTAR WINES and any further information may be procured through the following:

# BEAUTY—in the church SANITATION—in the hospital

A beautiful floor of moss green and stone gray Treadlite Tiles deadens sound, cushions footsteps and contributes richly to the reverential atmosphere achieved in this sanctuary.

**M**ODERN flooring standards—for buildings of practically every description and purpose—today require that floor surfaces be pleasing, alike, to the eye, the ear and the foot.

Flooring materials should offer beauty and color-interest; should be varied and versatile so that simple or elaborate decorative effects may be readily provided; and should be easy to clean. They should be noise-absorbing—quiet. This is essential in the church, school and hospital and highly

desirable elsewhere. Floors should absorb shock; be *restful* to walk upon; should not be cold, hard, slippery or splintery.

In the past other floors have provided some of these attributes—but resilient floors of *Sealex* Linoleum or *Sealex* Treadlite Tile combine them all! And in good measure, for these colorful floors are not only quiet, comfortable and cleanly—but are highly durable and economical, as well.

Solid-colored floors of *Sealex* Battleship Linoleum are ideal for working spaces where

# COMFORT—in the schoolroom DURABILITY, QUIETNESS—for all!

simplicity is the keynote. Floors of *Sealex* Treadlite Tile or *Sealex* Inlaid Linoleum provide the decorative advantages of the finest marble or hard tile floors, yet escape completely stone-coldness, noisiness and discomfort.

Any type of floor—any color-scheme, pattern, motive or design—is economically reproduced with these versatile, highly practical floorings—rendered spot- and stain-proof by the *Sealex Process*.

The installation of *Sealex* floors, as part of original equipment or over existing wood or stone floors, is simplicity itself. Our nation-wide flooring service gives assistance in selecting suitable materials—designs the floor—installs it—in short, takes care of every detail for you. Write us for any information on the subject of resilient floors.

The primary function of a window is to give light. Deep rich colors may satisfy individual taste, but make artificial lighting necessary; destroying the very purpose of the window.

Windows should be decorative in color, clear in detail and composition, and above all, inspiring and instructive.

For thirty-one years we have labored exclusively producing windows for Catholic churches. Lasting colors, fine craftsmanship and clever artistry combine to make our windows a pleasure to behold.

In the equipment of a church for active ministrations few things are more worthy of consideration than furniture—altar, pulpit and pews must be fittingly designed, appropriately arranged, and well placed. The mission of Manitowoc Church Furniture Company is, admittedly, to meet this need.

Manitowoc-built furniture insures that permanence which should characterize all seating equipment entering the construction of modern places of worship. Quality is fitting to every need, and service is of the highest type. Experienced ecclesiastical designers and master-craftsmen produce a superior product.

# If Pride

is considered a *fault* in character—

then truly I must admit I am possessed of it, for I own a great material pride in the glory of the re-created beauty which I have placed in thousands of churches throughout the country.

*From all points in America . . . .*

The Clergy send me day after day sacred metalware of all descriptions to be renovated and replated. These faded sacred articles may have been worn out by constant handling and use, or have been broken by accident. After they leave my factory they are returned into their respective places, cloaked anew in the dignity and splendor of work well done.

No matter how elaborate or small the order may be, it receives the same skillful attention that only master workmen can produce, and when finished, each and every article receives my personal attention before leaving my factory.

My prices are most reasonable. I specialize in the plating, restoring and reconstruction of all manner of church metalware and sacred vessels, such as, Chalices, Ciboria, Ostensoria, Sanctuary Lamps, Cruets, Ablution Cups, Candlesticks, Censers, Tabernacle Doors, Holy Water Pots, Candelabra, Railings, Brackets, Pulleys and all other Altar metalware.

# FERROCRAFT CAST GRILLES

St. Aloysius Church  
Cleveland, Ohio

*Cast to the Architect's detail with panels and border*

Concealment of radiators becomes an opportunity instead of a burden, if FERROCRAFT Cast Grilles are used, for they have a latitude in design that makes it possible to harmonize the radiator treatment with the decorative plan.

Reviving the craftsmanship of the Middle Ages, FERROCRAFT Grilles add the great charm of metal artistry.

Cast to order in iron, bronze and other metals, to Architect's detail or to a choice from some four hundred T&B designs.

*Inquiry requested from those about to build or renovate.*

# Furniture for Radiators

Just as FERROCRAFT Cast Grilles afford the most artistic treatment for recessed radiators, so Tuttle & Bailey furniture is the ideal solution for radiators set out from the wall.

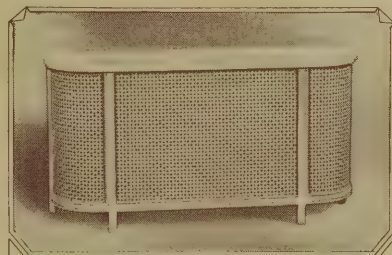

This furniture, made of fine metal, is strongly constructed, finished to look like wood and so perfectly designed, technically, that we can guarantee against loss of heat.

We show only three of the many models offered, but they include radiator furniture suitable for church, parish house, school and home and the practical benefits; distributing heat properly, keeping walls clean, humidifying unhealthy dry air, will soon represent actual savings in expense and health.

*Our booklet,*

"New Artistry in Radiator Concealment" illustrates and explains this new kind of furniture and will be sent on request.

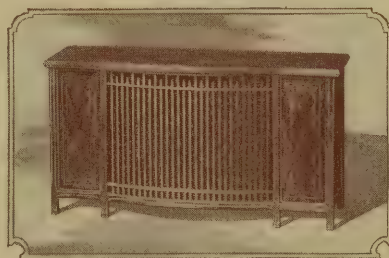

You may, without obligating yourself, ask us to advise and estimate on covering your radiators.

# Concannon Vineyard

ESTABLISHED 1883

LIVERMORE, CALIF.

## Pure Altar Wines

Approved by THE MOST REVEREND EDWARD J. HANNA  
Archbishop of San Francisco, and the Right Reverend Bishops  
of California

THE Concannon Vineyard was established in 1883 by the late James Concannon, who was the first vineyardist and wine man to give the making of altar wine serious attention. He imported his grape vines from the most selected stock in Montpellier, France, and after his death the business was continued by his sons, who have carried on the business in the same conscientious manner as their father.

It might not be amiss to state that our prices are lower than those of any others for the same quality of goods.

## *Church Art Calendars!*

GIVE them each the calendar that fills a well defined Catholic need—a gift of unusual artistic value and religious inspiration! As a reminder, a red fish designates each day of fasting and abstinence, red lettering each Ember Day, Rogation Day, and Holy Day of Obligation. Feast Days and the better known Saints' Days are indicated by celebrated religious paintings. This 16-page Church Art Calendar—9¼ inches x 15¼ inches in size—further commends itself to your parishioners by including twelve full color reproductions of religious art treasures, one for each month; daily quotations from the Douay version of the Bible; Gospel lessons; and subjects for meditation.

### *Two Ways to Obtain These Calendars!*

You can buy them yourself for distribution to your parishioners, or you can easily find a business man of your parish who will be glad to pay for the calendars for the privilege of having his name printed on each page. The name of your church and the hours for the Mass, in either case, are printed on the cover. An extra charge is made for imprinting.

St. Mary's Hospital,  
San Francisco, which  
has its own "American"  
laundry.

# Where the weekly washing is supervised, and "laundry cost" controlled

St. Mary's Hospital, San Francisco, is able to operate with a surprisingly small supply of uniforms and curtains and towels and blankets and bed linens. Yet it always has an ample supply on hand—freshly laundered, ready for service.

Which, of course, is because St. Mary's Hospital has a laundry right in its own building—a completely "American"-equipped department, operated at a saving, under the watchful supervision of the hospital's own officials.

"American" engineers, who planned and installed the laundry department

The economical, labor-saving laundry at St. Mary's Hospital, "American" planned and installed. Here linens are perfectly laundered and returned to immediate service.

for St. Mary's, as well as for many other institutions, will be glad to put before you some helpful information about modern hospital laundry practice. "American" service is yours for the asking—just write.

No one knows better than you how important it is to have a church attractively decorated. Harmonious decorations make for a warm, inviting atmosphere promoting more attendance and greater pride in the hearts of parishioners.

In every contract executed, there has been absolute satisfaction in every way. And we shall be pleased to refer you to any or all of our customers. We might add that the decorations we did years ago are still regarded, among folks who know fine work, as outstanding examples of skill and workmanship.

Naturally, we use only the finest materials. Our customers have found them to be the most economical and satisfying. And, considering the vast difference in quality, you'll find that our prices are exceptionally low.

If you are planning re-decoration of your Church within the near or distant future, we feel certain that you will find it beneficial and profitable to get our ideas and figures as applied to your individual Church. We'll gladly have our representative call and explain our service—without obligation to you, of course.

The decoration of St. Josephat's Church, Milwaukee, and the decoration of the great Basilica of Our Lady of Victory Church, Lackawanna, New York, are two of the most important works of Ecclesiastical decorations recently executed in this country.

The attention of the Clergy who appreciate the best in Church decoration is especially called to these two examples of ecclesiastical art as among the most beautiful Church decoration of modern times. No better references could be given than these two works of art. Another outstanding example of the artistic qualifications of Prof. Gonippo Raggi is the decoration now in course of completion at the Church of Our Lady of Perpetual Help, Brooklyn, for the Very Rev. F. Gallagher, C.S.S.R., Pastor.

# **NATIONAL MARKING MACHINE**

For years a favorite in Catholic hospitals and other institutions because it identifies (through a neat, legible mark) the house linen and the wearing apparel of physicians, nurses, patients.

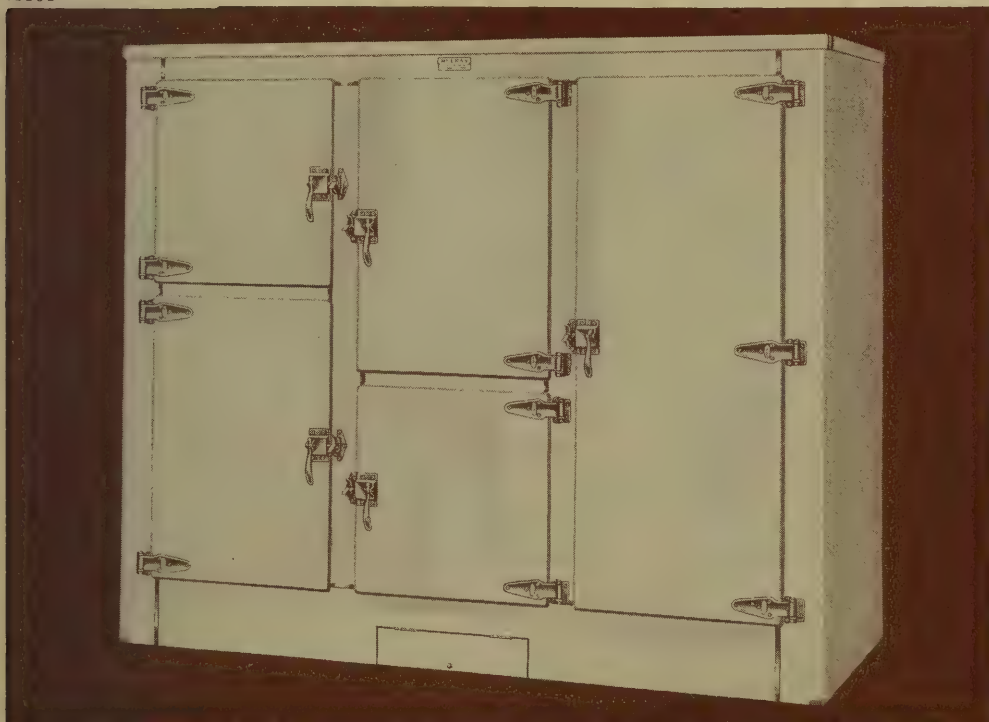

The machine is so flexible that it supplies the name of institution—or other identification marks, symbols or names—and does it quickly, simply, permanently. A real investment that quickly pays for itself through the losses it prevents and the resultant tremendous saving in replacement costs of linen and wearing apparel.

**W**ICKWIRE Spencer Chain Link Fence is a real protection. The character of the mesh, the height and angle of the barb wires make it unclimbable.

And it's permanent. Heavy sections of steel and wire are coated with molten zinc after they are fabricated. Galvanizing of this character withstands ravages of all weather conditions. The posts are embedded in concrete foundations. The price of this fence is surprisingly low in view of its strength ... *and permanency.*

# MY MISSAL

A NEW EXPLANATORY MISSAL

*For the Sundays and Principal Feasts of the Year. With an  
Appendix of Devotional Prayers*

By DOM FERNAND CABROL, O.S.B.

From all sides we are getting reports of the usefulness of MY MISSAL. The fact that it is presented in both reasonable bindings and more expensive ones has increased its popularity. Abbot Cabrol, of course, is one of the outstanding leaders of the popular liturgical movement and his arrangement of this Missal has made it very easy to use.

---

*Many dioceses have adopted My Missal for high-school  
and upper-grade grammar-school pupils*

---

We can give no better description or praise of MY MISSAL than that contained in "The Record" of St. Johns University:

"Catholics are realizing that they should use a missal when assisting at Holy Mass. Not a few have held back because of the price of some missals. MY MISSAL, with English texts only, is a real life saver. It does away with the stock excuse, 'Missals are too expensive.' Abbot Cabrol's missal contains a truly enlightening explanatory introduction of 28 pages, the ordinary of the Mass, the prefaces, the proper of the Time, the proper of the Saints, the Masses of the Dead, the Nuptial Mass, and an appendix of devotions."

"We cannot praise too highly this splendid little Missal."—*The Lamp*.

# ACOUSTICS

The groined ceiling over the nave and aisles of this beautiful church was covered with Johns - Manville Acoustical Treatment textured to give the effect of a stone interior finish.

*St. Gabriel's R. C. Church, Hazelton, Pa.  
Peter B. Sheridan, Architect*

THE design of church interiors can be carried out today so as to secure any desired effect in line, color or texture without sacrificing in any way acceptable acoustical conditions for speech and music.

Johns-Manville stands pre-eminent in the development of acoustical materials which can be incorporated in the design of new interiors or installed in rooms already completed.

Some of these interior finishes produce the effect of rough stone or plaster while others are perfectly adapted to the application of costly mural paintings or decoration. All of them are fire-resistant and, for all practical purposes,

form a permanent part of the building.

Our staff of trained acoustical engineers is prepared to furnish without charge an acoustical analysis and recommendations for needed treatment in rooms already completed and in use, or for those which are being designed.

This service applies not only to acoustical problems in church or school auditoriums but to noise problems in refectories, swimming pools, gymnasiums, and in the corridors and various patient and utility rooms in hospitals.

All of our treatment is installed by contractors who specialize in this kind of work, thus insuring a faithful performance of the original recommendations.

325 Homewood Avenue  
Dayton, Ohio

G. C. RIORDAN & CO.  
Cincinnati, O.

My dear Mr. Riordan:

The eight windows made by your firm for our Chapel have arrived and have been installed. They have been inspected by many persons, some who are well able to express criticism, but without exception, all are enthusiastic in their praise.

The coloring is in harmony with the interior of the Chapel. The windows have been pronounced works of real art. We are very well pleased with them and congratulate your firm on the successful production. We wish to thank you for your gentlemanly courtesy and your very prompt attention to our requests.

Very sincerely,

THE SISTERS OF NOTRE DAME.

Home Offices: ERIE, PA.—MARION CENTER, PA.

A typical installation of Spencer Heaters is that of St. Mary's Church, Parish Building and Rectory, at Ardmore, Pa. Because of its advantages, the Spencer is much in demand for heating a combination of church, school, and other buildings in the ecclesiastical group.

## THE LOWEST COST HEAT FOR CHURCHES— *with better control and less attention*

No other type of building offers the same heating difficulties as the church. It is completely occupied only during services. Yet it must be kept warm for visits, and to prevent freezing and serious damage at night.

Spencer Heaters offer an ease of control that is almost ideal for the church. The Spencer is a magazine feed heater that uses safe and familiar fuels—coal and coke. Instead of having flat grates that must be fed frequently by hand, the Spencer is made with sloping Gable-Grates, fed automatically by gravity, from a storage magazine for fuel, above the grates.

The Spencer fire is never banked—the fire bed is kept automatically at the same efficient depth all the time, day and night, for fuel feeds just as fast or as slow as it is required to keep the church at any desired temperature. Between services or at night a comparatively low temperature can be maintained by a slow fire and fuel feed. Yet in a short time the temperature can be brought up to

any required degree. With this advantage the Spencer requires less attention. The magazine requires filling only once a day by the sexton of the church.

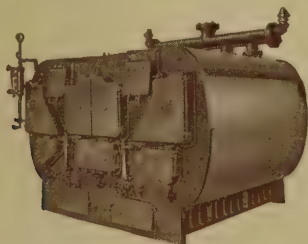

The principal Spencer advantage is its economy. The sloping Gable-Grate and Magazine Feed permit the use of small size fuels that are low in cost, because ordinary heaters are not designed to burn them satisfactorily. No. 1 Buckwheat Anthracite, for instance, costs only half as much as larger sizes, and you save all this difference in price with a Spencer. Where anthracite is not available, small size by-product coke in a Spencer gives smokeless, automatic heat, at a cost no greater than heating with soft coal, and generally less.

Spencer Heaters are made in sizes and types to suit every character of building—homes and business buildings as well as churches, schools and other institutions. Write for the Spencer book, "The Fire That Burns Up-hill." It describes the Spencer scientific principle in detail. Spencer Heater Company, Williamstown, Pa.

Wurlitzer Organ  
Installations.*

AN unfailing source of inspiration, "marvelous tonal richness," "tonal brilliancy and living quality unheard before in any other organ," "variety of effects and combinations almost limitless," are just a few of hundreds of testimonials from leading pastors and organ authorities, attesting the superiority of the Wurlitzer Church Organ.

Each Wurlitzer Organ is an individual masterpiece. Into it go only selected materials, and the most skilled workmanship. From design, through construction, voicing, and installation, it is the creation of an organization of craftsmen, with a discriminative sense of tone values that is the heritage of seven successive generations of master builders of musical instruments.

In construction, in performance, in quality, a Wurlitzer Organ assures you the utmost value for your investment.

## Catholic Institutions, too, are now providing this long-needed comfort

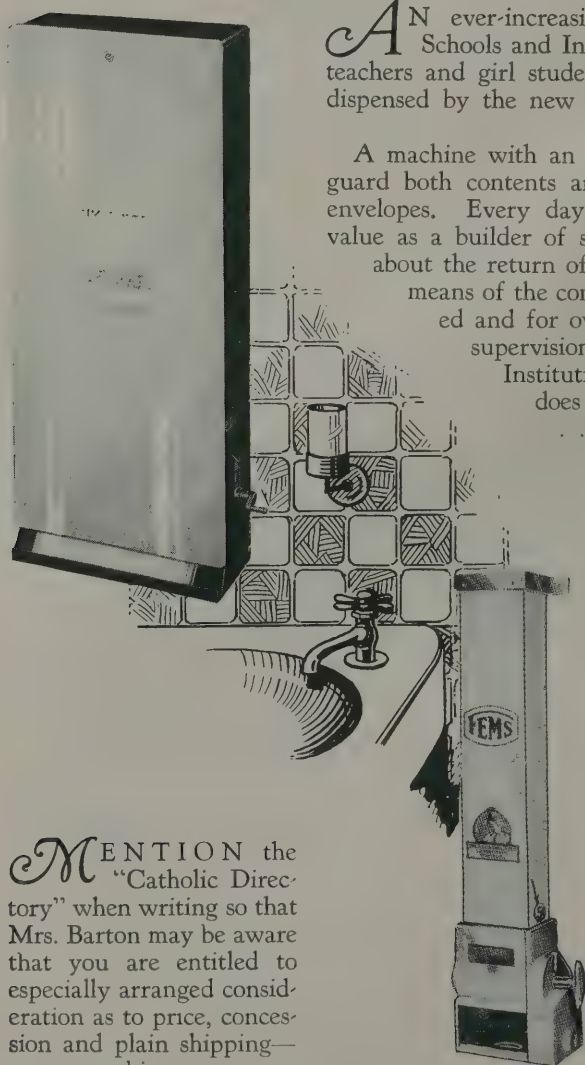

**A**N ever-increasing number of Catholic Colleges, High Schools and Institutions are now providing their feminine teachers and girl students with the personal and mental comfort dispensed by the new "AUTO-MATRON."

A machine with an all-porcelain drop door, with lock to safeguard both contents and coin box, dispenses individually sealed envelopes. Every day the "AUTO-MATRON" is proving its value as a builder of student and teacher efficiency, by bringing about the return of enthusiasm in school and church work by means of the comfort rendered. It has already been accepted and for over ten years has served schools under city supervision, private colleges—and now the Catholic Institution has recognized its importance . . . it does the work of a personal attendant or matron . . . when that work is direly needed.

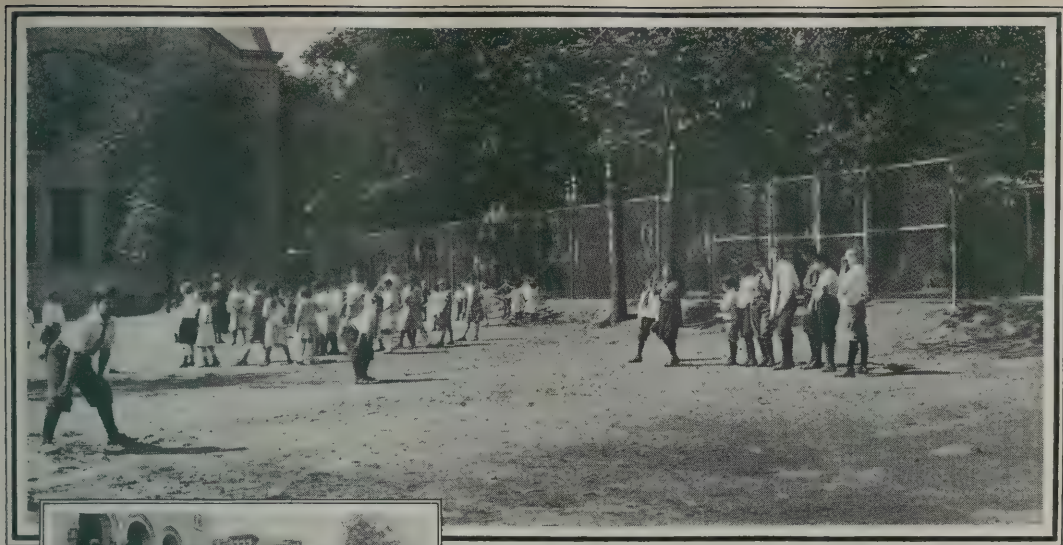

Not only is this comfort-dispensing "AUTO-MATRON" SELF-MAINTAINING . . . it brings added revenue to the institution. Under our special arrangement planned to make it easy for your institution to install this service, you can obtain an "AUTO-MATRON" without cost . . . and envelopes, filled, that vend for a five-cent coin, cost you but  $4\frac{1}{2}$  cents each (\$45 per thousand) thus bringing in \$50. Here is your opportunity to render a humane kindness and at the same time . . . feel no expense . . . but receive ample reward for your effort in providing a long unfilled necessity.

## This New Use of Stone Lowers Cost

THE Indiana Limestone Company's latest development, ILCO RIPLSTONE, will be of interest to you if you are considering a new school. Instead of each stone being cut to exact measurements in accordance with carefully prepared drawings, stone is sawed into strips four inches thick at the quarries. On the building site, these strips of

stone are broken to lengths and laid up in the wall just as brick are laid up. The more expensive cut stone is used for ornamental detail only.

There is no sacrifice in beauty or permanence in this modern development. Let us send you booklets showing churches, schools and other buildings built this way. Address Box 795, Service Bureau, Bedford, Indiana.

"I feel you have reached the zenith of your art. Your organ is far superior to anything on which I have ever played. I have demonstrated this over and over on my recital trips throughout the world.

RAMBUSCH presents as one of their outstanding achievements of the year, the majestic interior of St. Stephen's Church, Philadelphia. Some idea of the exquisiteness of this most interesting interior may be gained by studying the several illustrations, but the Church itself should be seen to fully appreciate its regal beauty. Space does not permit the description of the many interesting and splendid appointments but the magnitude of the commission intrusted to Rambusch by the Architects may be realized by stating that the decoration, murals, marble high altar, reredos, bronze tabernacle, gilded iron candlesticks, sanctuary lamps, pulpit, altar rail, side altars, tabernacle and statues, drapes, transept screens, enamel stations, lighting fixtures and baptismal font were all carefully studied and beautifully executed by the Rambusch Organization . . . We respectfully suggest to the Reverend Clergy who are contemplating any kind of decoration, that they view this successfully and beautifully decorated interior.

☞ A folder describing the fine appointments of the interior of St. Stephen's will be mailed upon request. ☞

## PART I

# Hierarchy of the Catholic Church.

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

HIS HOLINESS THE POPE

BISHOP OF ROME AND VICAR OF JESUS CHRIST,  
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,  
SUPREME PONTIFF OF THE UNIVERSAL CHURCH,  
PATRIARCH OF THE WEST, PRIMATE OF ITALY.

ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,  
SOVEREIGN OF THE TEMPORAL DOMINIONS OF THE HOLY ROMAN CHURCH,  
AND SOVEREIGN OF VATICAN CITY.

PIUS XI

ACHILLE RATTI

NOW GLORIOUSLY REIGNING

The two hundred and sixtieth successor of St. Peter, was born at Desio, May 31, 1857; ordained Priest, December 20, 1879; appointed Apostolic Visitor to Poland, 1918; appointed Nuncio, 1919; promoted to Titular See of Lepanto, July 3, 1919. Created Cardinal June 16, 1921; Proclaimed June 21, 1921. Promoted to Archdiocese of Milan as Cardinal Archbishop, June 16, 1921. Elected Pope, February 6, 1922, crowned February 12, 1922.

His Holiness retains the Prefectship of the Congregation of the Holy Office, of the Consistorial Congregation and of the Congregation for the Oriental Church; the Protectorate of the Church and Chapter of SS. Celsus and Julianus; of the Greek Abbey of Grottaferrata, of the whole Order of St. Benedict; of the Order of Preachers (Dominicans); of the Order of Regular Clerks, called Teatini; of the Archconfraternity of the Via Crucis, called the Lovers of Christ and Mary; of the Archconfraternity of St. Rochus; of the Archconfraternity of SS. John and Petronius of the Bolognesi.

VATICAN CITY

By virtue of the Concordat signed by His Eminence, Peter Cardinal Gasparri for the Pope and Benito Mussolini, Premier of Italy for the King, on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which by the Pope and the King of Italy were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the State. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, Pope Pius XI.

The Governor is Commendatore Camillo Serafini, born in Rome in 1864.

The Secretary General of the government is Commendatore Camillo Beccari.

The Apostolic Nuncio to the King of Italy is Monsignor Borgognini Duca, Titular Archbishop of Heraclea.

The Ambassador of Italy to the Vatican City is Count De Vecchi di Val Cislmon.

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops*, *Cardinal-Priests*, and *Cardinal-Deacons*; but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are generally Priests. The Sacred College of Cardinals, when complete, consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons.

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina*, *Albano*, *Palestrina*, *Sabina*, *Frascati*, *Velletri*. The Cardinal Dean has united to his See the See of Ostia. The Cardinal Priests take their title from the "Titular Churches" to which they are appointed; the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean*; the first Cardinal Priest is *First Priest*; and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto*," and when proclaimed, he takes the precedence according to date of creation.)
